

History of primary education programs

Primary education programs are based on the integration of several educational programs that carry out educational activities.

In 1984, the Department of Russian Language, Literature and Methods of Teaching Them in Special Schools was opened at the Faculty of Defectology (Head of the Department, Candidate of Philological Sciences, Associate Professor Manyakina Zi, since 1986, Candidate of Philological Sciences, Associate Professor Mendekinova R. .t.);

In 1985, the Department of "Pedagogy and Methodology of Primary Education" was established (Head of the Department in 1985-1987, Candidate of Pedagogical Sciences, Professor Zhumakhanov AR, 1987-1988 Candidate of Pedagogical Sciences Khrapchenkov, 1988 - 1990, Associate Professor Rakhmetova Sr.);

In 1990, the Department of "Fundamentals of Theory of Mathematical Methods in Primary School" (Head of the Department, Candidate of Pedagogical Sciences, Associate Professor Ospanov, etc.) was separated.

Since 1992, the department of "Kazakh language and methods of teaching it" (Head of the Department, Candidate of Pedagogical Sciences, Associate Professor Rakhmetova SR), Department of "Methods of teaching labor, fine arts and physical education in primary school" (Head of the Department, Associate Professor Satkanov O. .S.), "Music and Music Education" (Head of the Department, Candidate of Technical Sciences, Associate Professor Valiulina RN).

1997 "Theory and methods of the native language" (head of the department, doctor of pedagogical sciences, professor M.Karaev), "Theory and methods of mathematics and music" (head of the department, candidate of pedagogical sciences, professor Ospanov TK .) departments were created.

In 1998, all of them were merged into the Department of "Theory and Methods of Primary Education" (Head of the Department, Candidate of Pedagogical Sciences, Professor Ospanov TK, since 2004, Candidate of Pedagogical Sciences, Associate Professor Kosanov BM).

In 2007 the department was renamed "Theory and methods of preschool and primary education" (head of the department, doctor of pedagogical sciences, associate professor Zhumabayeva AE);

In 2015, the Department of "Theory and Methods of Preschool and Primary Education" was renamed "Pedagogy and Methodology of Primary Education";

In 2020, the department of "Pedagogy and Methodology of Primary Education" was renamed into **Professional Training Department of "Primary Education"** educational programm
